FY16 Annual Production Update

Dear Sir or Madam

Fortescue Metals Group Ltd (ASX: FMG, Fortescue) notes speculation regarding Fortescue's annual production for FY16.

In the March 2016 quarterly production report, Fortescue advised that:

- Shipments were ahead of target due to the unseasonal mild weather experienced during the March quarter; and
- Potential upside to the full year guidance remained subject to the impact of weather during the June quarter.

Fortescue can advise that 169.4mt has been shipped for FY16.

Full details of the June 2016 quarterly production report will be announced to the market on Wednesday July 27.

Yours sincerely

Fortescue Metals Group Ltd

Ian Wells
