COMMUNITY SUPPORT APPLICATION FORM

Grants of up to \$5,000 (GST exclusive) are available to eligible applicants to support community projects within the Town of Port Hedland, Shire of East Pilbara, Shire of Ashburton and City of Karratha.

Submitting your application

Please fill in your group or organisation's project details and submit your completed application to:

Fortescue Community Office
PO Box 2516
South Hedland WA 6722

Or via email:
community@fmg.com.au

Applications for this round of funding are accepted between 1 March and 31 March 2017.

If your project is planned to commence earlier than 1 April 2017, please discuss this with the Community office when you submit your application.

You may attach any information or documents which you feel may help with the assessment of this application for funding. Please do not forward original documents, as they will not be returned.

Further information

If you require further information, please contact the Fortescue Community Office on:

Community Support Overview

Introduction

Grants of up to \$5,000 (GST exclusive) are available to eligible applicants to support community projects within the Town of Port Hedland, Shire of East Pilbara, Shire of Ashburton and City of Karratha.

Eligibility is determined based on set criteria. Fortescue believes our community investments are much more meaningful when we proactively identify and develop projects with community partners whose values and program objectives are similar to ours. All grant applications must therefore align with Fortescue’s vision and values which are: empowerment, generating ideas, enthusiasm, family, determination, setting stretch targets, frugality and integrity.

Applying for Community Support

Non-profit, sporting and recreation, and community organisations which are incorporated (or which are auspiced via another incorporated body) can submit an application for grant funding to Fortescue Community using the Community Support Application Form. Projects need to provide benefits to the Pilbara community and applicants must detail how the project will be funded and delivered.

Organisations can submit only one application at a time and acknowledge that Fortescue may not necessarily fund the whole (or any) of the requested grant, depending on evaluation of the application and funds available. Applications should align with Fortescue’s values and its Community objectives, to give them a better chance of being successful.

Fortescue will consider funding:	Fortescue will not consider funding:
<ul style="list-style-type: none"> • Education and training programs • Improving quality of life • Encouraging healthy living • Indigenous capacity building • Empowering community members and leaders • Encouraging community involvement • A focus on children and youth • Connecting residents to their community • Community safety, and • Environmentally responsible measures, which minimise harm. 	<ul style="list-style-type: none"> • Religious activities • Political organisations or purposes • Gambling activities • Academic studies • Overseas travel for any purpose • Individuals • Activities that are high risk • Retrospective activities or events (activities or events that have already occurred) • Staff funding, and • Organisations which have previously received grant funding but have not properly acquitted the previous funding agreement.

In the case of sports grants, equipment or uniform requests, these items must remain the property of the sporting club and not be for the exclusive use of any individual members.

It is important to note that as there are limited funds, not all applications, even if they meet the criteria, can be funded.

Grant funding determination

Applications are considered by the Fortescue Community Support Committee. All applicants will be notified of the outcome of their application within 30 days of the end of the application acceptance period.

Acquittal

Once the project is completed, the grant recipient must provide Fortescue with a completed Acquittal and Feedback form to show it has met the terms of the funding agreement. This helps Fortescue to track its work in the community and to identify possible gaps where it can do more. Photographs supplied demonstrating the project must be accompanied by a Photographic Consent Form containing written consent from any person featured in the photographs, so they can be used by Fortescue for publicity purposes.

Until an Acquittal and Feedback form is completed and returned to Fortescue Community for project sign-off, no further applications for funding to the grant recipient will be considered.

Applicant details

What is the name of your Organisation or Group?

Where in the Pilbara will your project take place?

- Town of Port Hedland
- Shire of East Pilbara
- Shire of Ashburton
- City of Karratha
